No. 1/2009

Basel, 15 April 2009

## DAVIDOFF SWISS INDOORS BASEL FROM 31 OCTOBER – 8 NOVEMBER 2009 ADVANCE TICKET SALES OPEN!

There could already be snow on the ground by the time the high point of the Swiss tennis year takes the stage in Basel. Following the reformatting of the tennis calendar, the Davidoff Swiss Indoors Basel will this year be held during the **first week in November**. Advance ticket sales officially start today. Following last year's record attendance figures, tickets are once again expected to be in high demand.

At the same time, there are some really good reasons why lovers of this major sporting and social event should travel to Basel. As the world's third largest indoor tournament, the status of the Basel event has been upgraded by the ATP governing body. It is now part of the **premium platform** of the **ATP World Tour 500 series**, a status which – alongside the ATP World Tour Masters 1000 events – is shared by just ten other tournaments worldwide.

Bring the centre court and all additional information into your home! Thanks to the support of CS2-Creative Solutions GmbH, tennis fans simply need to click on [www.davidoffswissindoors.ch](http://www.davidoffswissindoors.ch) to enjoy the virtual stadium from the comfort of their own homes.

The centre court continues to provide space for 9,000 spectators with all seats guaranteeing an excellent view. We recommend you use the following **advance ticket outlets**:
